

AFFIDAVIT OF COOPERATION

A crime such as you have described is a crime against the State of Missouri and as such, it is the responsibility of the Prosecuting Attorney to evaluate the evidence to determine whether your case can be successfully prosecuted. You, as the complaining witness, play a very important role in that decision making process. Your cooperation will be taken into consideration - without it prosecution would be unlikely.

By signing this document you indicate your desire to seek criminal prosecution of any and all suspects apprehended in the case in which you are identified as the victim/complaining witness. You understand that as a result of this prosecution the suspect(s) may face imprisonment and/or fine.

You agree to attend all necessary court appearances. A subpoena will be given to you and serves as an Order of the court requiring your appearance. You understand that if the prosecution is dismissed for your refusal to cooperate or your failure to appear as ordered by the court, you may be held liable for court costs associated with the prosecution of this case.

In some cases where property damage or loss has occurred, the Prosecuting Attorney may need additional information in order to make a decision whether charges should be filed. If that becomes necessary the Prosecuting Attorney will contact you directly.

Some crimes, because of the nature of the offense, must be prosecuted regardless of your desires. It is the responsibility of the Prosecuting Attorney to make that determination.
