EXCAVATION PERMIT SECTION 510.090

City of Pevely

401 Main Street Pevely, Missouri 63070

CHAPTER 510: Excavations

SECTION 510.010: EXCAVATION WITHOUT PERMIT-MISDEMEANOR

Except in case of public work done by authority of the Board of Aldermen, no person shall make or cause to be made any opening or excavation in any public easement, or public place or thoroughfare, without written permit from Public Works Department. Any person violating the provision of this Section shall be deemed guilty of a misdemeanor.

SECTION 510.020: APPLICATION FOR PERMIT

A. Any person having occasion to make any such opening or excavation shall make written application for permit to the Building Department, who is hereby given authority to issue such permits. The application shall state the location and size of the proposed excavation and when the work is to commence. When the permit is issued, the following surety bond or security deposit must be posted within the City of Pevely, Missouri.

1. For asphalt streets, a permit fee of thirty dollars (\$30.00) is required along with a one thousand dollar (\$1,000.00) deposit for a full street cut and five hundred dollar (\$500.00) deposit for a half street cut. Security deposit will be retained by the City Clerk.
2. For concrete streets, a permit fee of thirty dollars (\$30.00) is required along with a payment of one thousand dollars (\$1,000.00) for a full street cut and five hundred dollars (\$500.00) for a half street cut, with the City using the funds to repave the street section at the completion of the project.
3. (Reserved)
4. Upon satisfactory completion of work, the applicant shall make a written request for full refund of the sum deposited. The applicant agrees that if all work has not been satisfactorily completed by the expiration date of the permit, the City may use the sum deposited to restore the City property, all easements, right-of-ways and appurtenances to City standards. The applicant further agrees to be financially liable for any cost over and above the amount deposited which may be necessary to complete said restoration of City property.

B. If within ninety (90) days after the excavation the applicant restores the pavement in satisfactory form, such deposit shall be refunded to him/her, otherwise the City shall use the deposit for the purpose of employing others to restore the pavement and surface, and the applicant shall be liable to the City for any cost in excess of the amount of the deposit plus a penalty of twenty-five percent (25%) of the total cost of restoration. If the deposit is more than sufficient to restore the surface, the City shall retain out of the excess an amount equal to twenty-five percent (25%) of the cost of restoration and refund the balance, if any, to the applicant.

C. In the case of excavation in parkways, lawns on a public easement and other improved areas, the applicant shall, in addition to the permit fee, deposit with the City of Pevely fifty percent (50%) of the amount herein provided for similar sized paved areas.
