Event Name:

Fan Appreciation Night (Kids Nickel Night)

Date & Time Of Event

8/1/20 7pm

Event Location

Pevely 1-55 Raceway

Event/Project Detail:

This event is a half price night to show appreciation to the fans. We throw 20,000 nickels out on the track for the kids to run around + get and

We paint 100-200 nickels certain colors & as the kids get a colored nickel they come to the front straightaway to receive their prize. But every child does receive a goody bag at the door coming in.

IMPACT

Explain, in detail, the estimated impact of the event/project on the City of Pevely. Define the impact by way of estimated overnight stays, restaurant usage, and/or retail sales, etc.

Impact Detail:

This event triples our attendance every year we hold it. We have racers from other tracks that come to our facility to support the track and to watch their children & grandchildren have some fun.

COST

Identify the cost of the event/project with a breakdown of the individual costs.

Cost Detail:

In the past years racers + local business donated bikes & other large items for the prizes for the colored nickels. However due the pandemic it has been hard for the supporters of the event to get the donations gathered up. So we are requesting \$5000.00 to purchase some of the prizes for the children. That would equal out to 100 of the prizes at \$50.00 each.

Describe how the event/project will be advertised. Identify media to be used, number of advertisements, and the scope/area distribution of the advertising.

Our social media platform reach thousands of our fans + racers. We also have ads running in the local papers and on several radio stations. Not to mention the shares of the event on social media. to new fans.
